

CARDI B

So this girl named Chantal has a few
of my songs on her Spotify playlist
called "Sophistiratchet."

A group of multi-ethnic girls dressed in nice gowns begin
dancing to Cardi B's "Bartier Cardi."

CARDI B

I'm in the mix with Beyonce, SZA, City
Girls, Solange, and Janelle Monae. Ow.

The girls are seen twerking and doing other ratchet dances.
Cardi B fades in and out as they continue dance.

I like that term "sophistiratchet."
It's cute. I'll add that to my vocab.

Cardi B begins feeling the song.

CARDI B

I should be on this playlist because
you know your girl is classy and
sassy. Okay.
